Hello CCRWC! Whoa has it been hot!! I hope everyone is staying safe, hydrated, and cool. Please remember that you have friends in the club and if you need assistance with something, please call one of us and we will do our best to help you find a resolution. I tend to worry about our members during these hot months and want to know that you are a part of a team. Our club has many things to look forward to—one is that we are planning a fundraiser/membership drive in early December. We will have more details at the meeting and just know to keep December 6 open for an extraordinary afternoon with our featured guest, Susan Tillis! I can't wait to see everyone at the July 14th meeting. As our SWCS security guard always say, "Stay safe, keep the faith, and don't let them grind you down!"

Our club was formed in May 2007, recognizing the need for expanding choices for Republican women who need to meet during the evening. Business meeting time is kept to an hour. Our

programs include persons of local and state political interest, state officers of the NCFRW and regular updates from our members who are elected Republicans in the county and state.

We meet on the second Tuesday evening monthly for a buffet dinner. Spouses are encouraged to attend and become associate members. Guests are always welcomed as well.

Our Club raises money for candidates and club activities in a variety of ways, including our annual Pizza & Politics event which attracts candidates and other Republican officials from throughout the state.

OBJECTIVES OF OUR ORGANIZATION

- To increase the effectiveness of women in the cause of good government.
- To promote an informed public through political education and activity.
- To foster and encourage loyalty to the Republican Party and to promote its principles and ideals.
- To work for Republican candidates in all elections including non-partisan elections.
- To support the objectives of the Republican National, State, and Central District Executive Committees, and to work for the election of Republican Party candidates.
- To promote cooperation among the National and North Carolina Federation of Republican Women and CCRWC.

JULY 2015 GUEST SPEAKER

Jim Duncan was born the son of a South Carolina native and WWII Sailor turned police officer. Jim grew up in modest circumstances, yet because of the hard work of his parents he was able to focus on building a better life and to live the American dream. Dedicated to his studies, he worked his way through school and became the first person in his family to achieve a higher education degree. Graduating from Marist College, Jim decided to follow in his father's footsteps and joined the military serving in the Army National Guard for five years. In business, Jim found his home in the emerging high-tech industry.

Through hard work and commitment, Jim eventually landed his dream job in the burgeoning computer industry. He spent 30 very successful years building meaningful relationships and solving challenging problems for some of America's most legendary corporations. He experienced the highs and lows, successes and failures, that come with being an entrepreneur as he continued to push forward in every arena of life.

Ever grateful for his opportunities, he was able to succeed in the American free enterprise system. Jim and his family dedicated much of their time working with underprivileged inner-city children. These experiences caused Jim to examine his beliefs and look towards conservative principles. It became clear to him that there had to be a better way to lift children out of poverty and fundamentally change their circumstances and outcomes. He realized that the best opportunities came from strong conservative principles and has been a Republican ever since.

Ultimately, Jim chose to call North Carolina home and settled his family in the second congressional district. There, he quickly rolled up his sleeves and decided to get involved in the community and local politics. In 2010, Jim founded the Coalition for American Principles, a nonpartisan group. Later that same year Jim was elected the Chairman of the Chatham County Republican Party. Jim's chairmanship has been widely heralded as a success story. Under his leadership, the organization reached new heights and became a model for county level conservative groups.
