Cumberland County Republican Women's Club

FROM THE PRESIDENT...

**September, 2015
Volume 9, Issue 9**

Electing Republicans, that's what we do!

Hello CCRWC!

Hello CCRWC!! I need your help! If you have seen where the summer has went—please let me know! I cannot believe it is already back-to-school time and that means one thing in the political community...campaign express! We will be hearing from Mayor Jackie Warner this month and we just heard from Mayor Nat Robertson last month—these are the candidates that need our support. They need our time, talents, and efforts to help them win the mayoral reelection bids. At the meeting in September, we will be taking names and shirt sizes for 4th Friday walking for Mayor Nat Robertson. If you know of anyone else that can help with this event, let us or the campaign know. Thank you for your help and dedication! Republican Women Rock!!

Our club was formed in May 2007, recognizing the need for expanding choices for Republican women who need to meet during the evening. Business meeting time is kept to an hour. Our

programs include persons of local and state political interest, state officers of the NCFRW and regular updates from our members who are elected Republicans in the county and state.

We meet on the second Tuesday evening monthly for a buffet dinner. Spouses are encouraged to attend and become associate members. Guests are always welcomed as well.

Our Club raises money for candidates and club activities in a variety of ways, including our annual Pizza & Politics event which attracts candidates and other Republican officials from throughout the state.

OBJECTIVES OF OUR ORGANIZATION

- To increase the effectiveness of women in the cause of good government.
- To promote an informed public through political education and activity.
- To foster and encourage loyalty to the Republican Party and to promote its principles and ideals.
- To work for Republican candidates in all elections including non-partisan elections.
- To support the objectives of the Republican National, State, and Central District Executive Committees, and to work for the election of Republican Party candidates.
- To promote cooperation among the National and North Carolina Federation of Republican Women and CCRWC.

Tim and I want to thank you for the wonderful evening a few weeks ago that we had with some of you. I especially am grateful for the photo collage. (Debbie and I had a melt down when she presented it to me.)

Being part of the CCRWC has been one of the most memorable experiences of my life. We've done many good things for the community, for the Republican Party and for candidates that I am proud of. Most of all, however, we've developed lasting personal relationships that have seen us through the good as well as more challenging moments in the club's history. I am so very thankful to everyone for sharing your life with me and feel blessed to have had the opportunity to be with and to serve with you.

The mountains of Virginia are beautiful and we've already visited with our girls and their families in the D.C. area. We are looking forward to many good times here, however, we miss our friends in Fayetteville and invite you to visit us here. The door is always open.

Thank you.

CCRWC NOMINATING COMMITTEE

At our September meeting, we will be nominating and electing our 2016 NOMINATING COMMITTEE. Those women elected to this committee will be responsible for contacting qualifying members to serve as CCRWC officers next year. This is an important part of our club structure, and for your information I have included part of our club bylaws concerning this committee.

"ARTICLE VIII

NOMINATIONS AND ELECTIONS

Section 1: NOMINATIONS

A. A Nominating Committee of three members, each of which has been a member of CCRWC for at least one year, shall be elected by the General Membership at the regular September meeting of the CCRWC. Committee member candidates shall be nominated from the floor and elected by secret ballot. The CCRWC Secretary shall prepare ballots for this election."

Robert's Rules of Order call for nominations from the floor with the prior approval of the person being nominated or a written statement from the person in the event the person is unable to attend the meeting. Nominations must then be seconded. The nominations remain open until all nominations are made. There is no set number of nominations that can be made. A ballot is then prepared by the secretary, and members are asked to vote for their choice. The three (3) members with the most votes then forms the committee.

Our club is highly respected locally and statewide as being an involved and vital group of dedicated women who work tirelessly for our candidates and local charities and of course our military support programs. Nominating and electing our officers who will serve during the coming year, will be an important part of our upcoming agenda. We welcome and encourage our membership to consider serving our club as a committee member or officer nominee. The best part of serving this way is meeting and getting to know like thinking folks, making new friends, and of course having fun.

Our entire membership should plan on attending our September 8th meeting!
