Electing Republicans, that's what we do!

*We look forward to getting to know you and sharing our
Republican work and fun!*

Hello CCRWC!

I am completely in shock that this year has flown by...it seems like just last weekend we were getting ready for Pizza & Politics and now we are having our Pastries & Politics with Susan Tillis on Saturday. We have had a pretty rocky year--but, we republican women rock, so as usual, we came through shining like diamonds! I am so proud of our club and I am very happy to have been blessed enough to serve as president. I am thrilled to pass the gavel and be able to serve on the board in a slightly more relaxed position (whoa, do I need that with a teenage daughter). We still have a lot of work to do for our 2016 elections and before we leave 2015, we also still have our Christmas baskets to load up in in December! The raffle tickets are available now and we will get those to everyone as soon as we can. Thank you ladies for being such a great team and we will be an even better team in 2016!

Our club was formed in May 2007, recognizing the need for expanding choices for Republican women who need to meet during the evening. Business meeting time is kept to an hour. Our

programs include persons of local and state political interest, state officers of the NCFRW and regular updates from our members who are elected Republicans in the county and state.

We meet on the second Tuesday evening monthly for a buffet dinner. Spouses are encouraged to attend and become associate members. Guests are always welcomed as well.

Our Club raises money for candidates and club activities in a variety of ways, including our annual Pizza & Politics event which attracts candidates and other Republican officials from throughout the state.

OBJECTIVES OF OUR ORGANIZATION

- To increase the effectiveness of women in the cause of good government.
- To promote an informed public through political education and activity.

Patriot Hunt.

History of Patriot Hunts

Ken and Pam Barnard started with a piece of recreational property just outside Fayetteville NC. With their family and friends in mind, they began building a weekend retreat facility that allowed them and their guests the ability to hunt, fish, and enjoy the outdoors.

By 2008, Ken and Pam had such positive feedback from the folks that came out to enjoy themselves, (the majority of whom were Soldiers, retirees and their family members) that they soon realized there was an opportunity to give back to the military community in a new and exciting way. They were both raised in military families and have been huge supporters of Fort Bragg and its extended family for many, many years.

As an avid outdoorsman, Ken soon noticed the void in many soldiers lives when they returned from theater with injuries that limited- or had completely halted- their ability to enjoy their favorite outdoor activities. He knew that he had the perfect place to take these heroes so that they may again enjoy the outdoors. Patriot Hunts was born.

The Maple Creek Farm and Preserve property continued to grow. Over time, they built and stocked a large pond and created a duck impound. They built tree stands and hunting blinds. Near the blinds, they cleared shooting lanes and entire areas of forest in order to build habitat and massive food plots that cater to every type of game from deer, turkey, bear, dove, quail and pheasant. Ken even raised quail for a while so that he could provide "put-and-take" quail hunts to guests while working his own hunting dogs for the shooters. Everything was soon aimed at providing the ultimate experience for their guests. Now, the climbing wall and the zip line Ken installed gives children even more to do when they come out to an event- not to mention the skeet shooting, archery lanes, fishing, ATV rides, and even more! Staff and volunteers are there to assist anyone, regardless of age or injury, needing assistance.

2008 brought the first organized dove hunt to Maple Creek Farm and Preserve, followed by multiple Youth Hunts, Youth Field Days, Gold Star Family events, Wounded Warrior Hunts, Wounded Warrior Field Days, Active Duty Field Days, and so on.

Patriot Hunts truly provides opportunities for just about everyone these days and they do it with a small staff and volunteers that endlessly support every event. The camaraderie at these events is immeasurable.

Patriot Hunts, Inc. is now providing outdoor experiences to wounded soldiers and gold star families from across the nation. Numerous property owners, ranches, game preserves and fishing charters from far and wide have contacted Ken and offered to donate opportunities for heroes. Not only do Ken and Pam provide a wide array of outdoor experiences at Maple Creek Farm and Preserve, but now- through Patriot Hunts, they coordinate hunting and fishing experiences throughout the United States. Lately, Ken has taken several wounded soldiers on hunting adventures that have been provided by landowners in other states like Iowa, Nebraska, Wyoming and South Carolina. Candidates from as far as California can now access these opportunities.

100% OF DONATED FUNDS GO DIRECTLY TO SUPPORTING THE OUTDOOR EXPERIENCE OF THE SOLDIERS AND FAMILIES PATRIOT HUNTS HELPS EVERY YEAR! ALL of Ken's personal travel expenses (fuel, food, lodging, etc.) incurred while traveling with wounded soldiers are paid out of HIS OWN POCKET!

Ken personally interviews and selects each candidate for the hunting or fishing opportunities that arise in other states and he personally escorts the individuals- and multiple individuals to the location of the event(s).

He is absolutely dedicated to ensuring that the participants have a fantastic experience. Ken is also an absolutely shining example of stewardship while representing the military community as a whole to the host's that provide the event.
